GSI now accepts the Step Up For Students scholarship toward club dues. Families can use eligible funds to help offset tuition costs. Learn more about STEP UP and eligibility on their official website.

All fees collected by GSI are non-refundable, except in cases where the season is prematurely terminated due to force majeure circumstances.

To streamline the payment process and clearly outline each athlete's financial obligations upfront, GSI has bundled most anticipated expenses into the annual dues. However, airfare and hotel accommodations for athletes are not included in these fees, while travel and lodging costs for coaching staff are covered.

The postseason program is exclusively included for athletes on the 18U Green and Teal teams. The program includes up to one additional month of training, continued tournament participation if a bid is earned, and four days of national-level competition, including all associated entry fees. If a bid is not earned, the 18U Green and Teal teams season will conclude on May 13, 2027.

If the 18U team participates in AAU Nationals, an additional fee of \$495 per athlete will apply. This fee includes tournament participation, AAU national-level competition, all associated entry fees, and coaches' travel expenses. Participation requires a minimum of 9 athletes, with a registration deadline of February 20, 2027.

Families are invited to participate in fundraising initiatives or apply for scholarships provided by the Gershfeld & Shakirov Foundation for Youth Development. Details regarding the scholarship program, including application procedures, will be announced in August 2026.
